Shoulder Paving Begins Monday on SR 62, Expect Traffic Delays

What: Weather permitting, the Georgia Department of Transportation will be paving the shoulders of state Route 62. Flaggers and a pilot car will control traffic, which will be stopped for short periods of time. Motorists are advised to expect delays. Please use caution and slow down when you approach the paving crew.

When: Beginning at 9 a.m. Monday, April 6. Paving will be done Mondays through Wednesdays and is expected to take about three weeks to complete.

Where: SR 62 from Arlington in Early County to the Alabama state line.
